Anchorage Log Cabin Quilters, Inc.

From Our President...

Dear Quilters,

I believe Spring has sprung! I'm just home from an applique retreat in Washington on the Kitsap Peninsula where I enjoyed green grass and flowers while learning new techniques. And what joy to come home to find the snow almost gone! It is a busy time for all of us but I hope everyone is finding time to quilt, making our Centennial quilts and other quilts for the show in September.

It seems early to say so but we also haven't that long til the time we will be looking at electing officers for the guild. To that end I will be asking for volunteers for a nominating committee. Please consider serving, both on the committee and perhaps in one of the officer/board positions.

Happy Quilting, Jan

4th Thursday, Apr 24

The fourth Thursday free-sew time at Central Lutheran will include TWO special presentations:

- Glenda Burk will demonstrate how she portrays buildings in her quilts. She says she will have some supplies, and those quilters who want to can bring their own upholstery fabric or other (like home dec fabric) to work with. This will be helpful to quilters who are preparing street scenes for the Centennial Challenge. Anyone interested should bring a picture or idea of what building they are wanting to make. Most of the work is with drawing, cutting and pressing, but she will also bring her sewing machine to aid in the demonstration.
- Sandy Winfree is demonstrating her patterns and methods for doll making. She will share techniques and let you try her tools (before you buy your own). She is a veteran doll maker, and is very enthusiastic after seeing the presentation on March 20th. A list of supplies for Sandy's demo/class is included inside the newsletter.

Come prepared to attend one of the special demonstrations, or just enjoy sewing on your own as usual.

Comfort Quilt Day, May 29

May 29, 2014 is Comfort Quilt Day. We start out a 9:30 by hauling boxes and setup, all help is appreciated. We finish about 3pm and as always we have lots to do, sewing, binding, sorting fabric, cutting batting and backings, both machine and handwork.

It is summer so the menu will be salads. Bringing something is NOT necessary...only if you wish to. Your attendance/help is what we request.

If you would like to know how the fleece blankets were made, bring yourself and your fleece to CQ day and we will demonstrate how to make them. Questions—call 248-5027.

The schedule for CQ Quilts is May 29, July 31, October 30, and January 29, 2015.

Come and join us for sewing, laughter and just a plain old good time.

15 Signs You're a Quilter from Quilting Arts Magazine

1. You always have threads or fabric scraps on you, somewhere.
2. You pay more attention to the bedding than the action in a romantic movie scene.
3. Your neighbor is excited about her new kitchen, and you want to show off your new sewing table extension.
4. To you, parchment paper is not a baking supply.
5. You have more fabric than clothing . . . or food.
6. You pet fabric.
7. You step over all the laundry to wash the fabric first.
8. You keep every scrap and thread. Because one day you might need it for a fiber art project.
9. You know the difference between fabric scissors and paper scissors, and woe to the friend or family member who doesn't.
10. When someone says you have great fat quarters, you say, "Thank you!"
11. The term "UFO" is not alien to you.
12. No matter where you go—hockey game, hardware store, horse barn—you see something that makes you think, "That would make a great quilt."
13. You plan your entire vacation around quilt stores that you want to visit.
14. Your idea of a romantic destination is Mood.
15. You live by the phrase, "One can never have too much fabric."

I'm sure all of our *Quilting Arts Magazine* subscribers can relate to this list. If you don't already [subscribe to Quilting Arts](#), take this as a sign that you should!

Day Group Programs

The schedule for the rest of the year has been established—for the most part. The programs for both May 15 and June 19 depend on your input. Here's the theme and contact information. Hope you will participate and make them both great programs.

May 15 - Travel Show and Tell. Delberta Trevithick and Carol Baker are the coordinators. Bring an item you found on a trip and tell how it influenced your quilting and bring along something to show that used that item. This is not a travelog, but a great place to show off what you've seen elsewhere. This is the same day as the quilt retreat begins.

June 19 - Virtual studio hop. Ruthe Rasmusson coordinator. Show other members what your workspace/studio looks like. Take photos of your space and share them with the group. Coordinate before the meeting with Ruthe so she can plan the presentation. How do you organize your stash? What pieces of furniture have made it easier for you to work? Two presenters will be Judy Wedemeyer and George Taylor. Large or small - we create in all kinds of spaces. Include pictures of work in process, so we can see the space in action.

July 17—Making cards from quilted materials. Start collecting scraps of quilted and pieced materials to use in making greeting cards. We'll have sewing machines available to show you how it's done and let you make one of your own if you like.

Comfort Quilt Distribution 2014 Report

The Comfort Quilt Committee had a great time distributing the 2013/2014 quilts to the following organizations:

- Hospice of Anchorage (Camp Erin and wheel chair quilts)
- AAAA (AIDS organization)
- Stork Project (Providence Hospital)
- Anchorage School District (homeless students)
- AWAIC
- Clare House
- AK Passage House (run by Covenant House)
- AK Child & Family Services (Jesse Lee Campus & Maplewood Campus)
- No One Dies Alone (Providence)

We delivered 115 quilts to the above mentioned organizations the last week of March. We are "holding" 9 quilts for auction donation, most auctions take place in the Fall. CQ delivered a total of 40 fleece blankets to Clare House, Brother Frances Shelter, AWAIC and Salvation Army in October 2013.

Anchorage Log Cabin Quilters should be very proud to have donated the quilts to the organizations listed. Their clients are very much in need and the organizations are very appreciative of our donations.

The CQ Committee thanks all of our members for their assistance in helping this project be successful. We enjoy working with all of you and your with your continued assistance we will continue to help the less fortunate in our community.

A SPECIAL thank you goes to our longarm quilters for quilting our many quilts, they are very much appreciated. Thanks to Julie, Julia, Denise, Sharon, Brenda, Meghan, Sara and to everyone who turned in completed quilts.

Fall Quilt Show

The fall show is fast approaching and everyone, I'm sure, is getting geared up. Here are some highlights:

- Juried Centennial Show—they're still taking registrations—a list of the quilts by decade is attached to the message conveying this newsletter. If you don't have email and want a hard copy, please check with the committee. Deadline for submitting these finished quilts is July 1.
- Non-juried quilt show entries—forms will be available next month in the newsletter. Remember that there will be a non-juried section for centennial quilts as well as the regular sections for quilts.
- Wearable Arts entries—We're open for the traditional wearable arts of course, but what do you have that you may have recycled/upcycled with quilting? Replaced a collar and cuffs of a jacket with patchwork to extend the life? Added quilting and embellishments to enhance a garment? The item needs to clearly exhibit the techniques of quilting, but may not need to be completely quilted to do this. Registration forms next month as well.

ALCQ Rolling Calendar - 2014

4th Thursday Doll Class

Hi doll maker wannabees! Join me on the 4th Thursdays (during open sew) at the church for doll making. Bring:

1. Fabric, about 5/8 yard if you want to do the whole body in flesh (Seams Like Home on Lake Otis has a great selection of flesh tones in Kona Cotton, as ice peach) or less if you want to bring other fabrics for the body, legs, arms. If you just want the face and hands in flesh bring about a fat quarter's worth. Brings THREADS to match fabrics. Sometimes many hands have to be made as the stitching blows out when stuffing, or a face needs to be remade if you are not happy with it.
2. Polyester stuffing
3. Tracing paper if you want to take any patterns from books home.
4. If you have any small narrow fork, as a pickle fork, that helps in stuffing large areas.
5. Usual sewing supplies of sewing machine, sewing needles, small scissors.
6. 4 plain buttons with 2 holes for sewing arms and legs on.
7. Stitch Witchery tape if you want to apply any lace, trim directly to body parts, without sewing it on. Note: you can't use this with lace that has sequins or beads.
8. Lace, decorative thread, hot fix crystals that you might want to apply to body parts before sewing or stuffing.
9. Package of white pipe cleaners for fingers. You need one per finger.
10. Any of the supplies I am bringing if you have them, please.

I'm still exploring hair fibers, so don't want to recommend any at the moment.

I will bring to share: 2 books that have patterns, a good beginner's pattern of a lady doll for you to trace onto cloth to begin with, colored pencils, Prisma pens, turning tubes and rods for turning hands and other pieces inside out, a stuffing fork small enough for hands, noses, a couple of pickle forks, pliers, 6" needles for sewing arms and legs on, hot fix crystal iron, needle felting needles, white paint for eyes and brushes, paint for fingernails, iron, and ironing pad.

Are You Available?

We'd like to put into the newsletter a list of people who are available to do quilting, either longarm or on a domestic machine. If you, or someone you know, wants to be included on this list, please have them contact Kate Beebe at: mom.beebe@gmail.com and give their name phone number or email, and some information about their services. What kind of information, you ask...well, how about the type of quilting you are available to do...simple, custom, etc. ...price you charge...maximum size...etc.

Member Tips

CALMNESS IN OUR LIVES ...I am passing this on to you because it really works, and we could all use a little more calmness in our lives.

By following simple advice heard on the Dr. Phil show, you too can find inner peace. He proclaimed, "The way to achieve inner peace is to finish all the things you have started and never finished".

So, I looked around my house to see all the things I started and hadn't finished and before leaving the house this morning; I finished off a bottle of White Zinfandel, a bottle of Bailey's Irish Cream, a package of Oreos, the remainder of my old bottle of Prozac prescription, the rest of the cheesecake, some Doritos and a box of chocolates. You have no idea how freaking good I feel now. *(Submitted by Linn Wince)*
