

We have many very qualified and exciting instructors willing to come to Alaska. We are trying to plan for upcoming workshops and would like some input from guild members! Many of the instructors would like to have 15 students so this means we all need to get excited and think about commitments. Hopefully we can get the interest to bring all of these instructors up here in the next few years.

**Instructor & Class**

**Level of interest**

**KAREN SELK**

**0 (none)-5 (lots)**

- 1) Silk fusion (3 Days)  
Use silk fibres to make felt,
